

Global gastric t-SNE

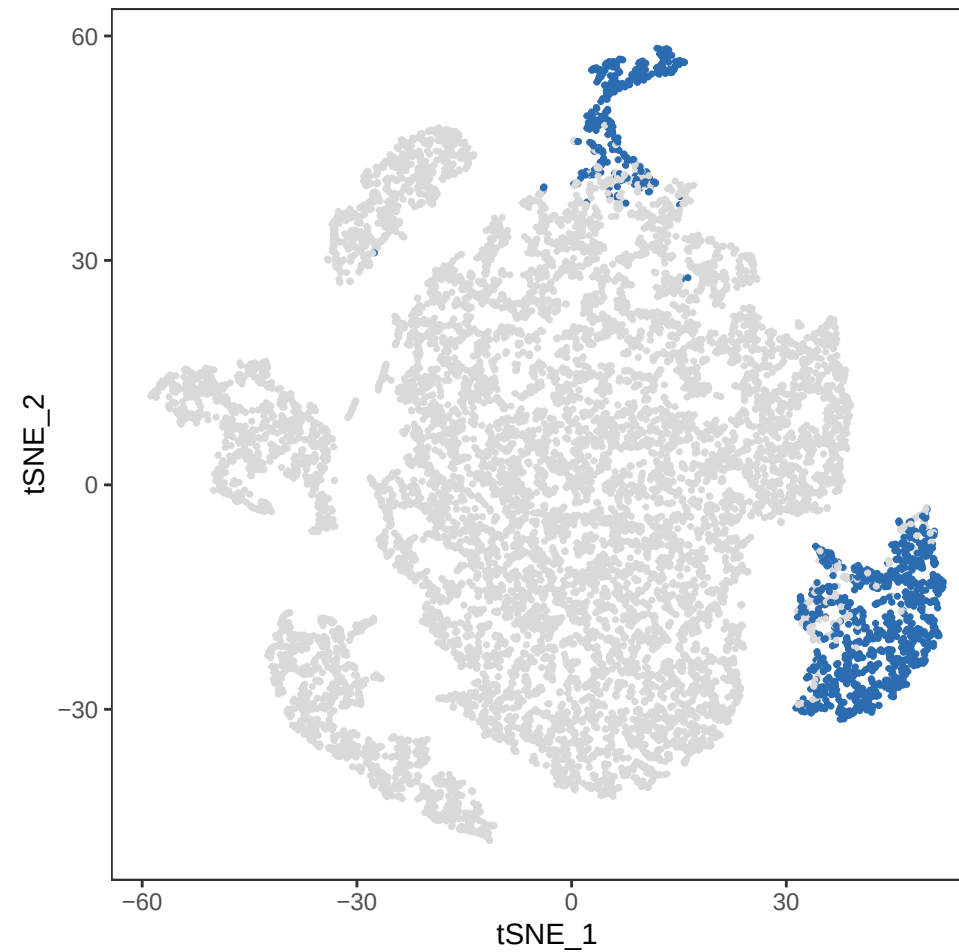

Monocyte-like reference cells for inferCNV

- Monocyte_reference
- Observation

Global gastric t-SNE

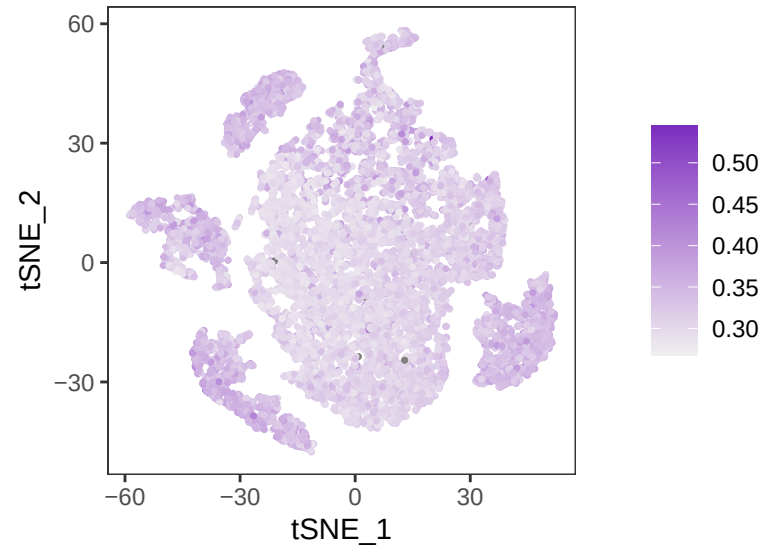

Current extracted tumor compartment

- Extracted tumor cells
- Other selected cells

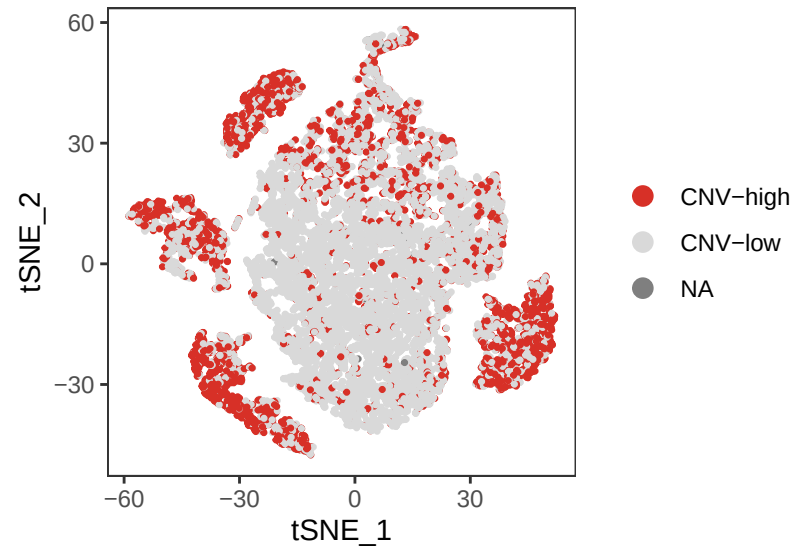

Global gastric t-SNE

inferCNV score

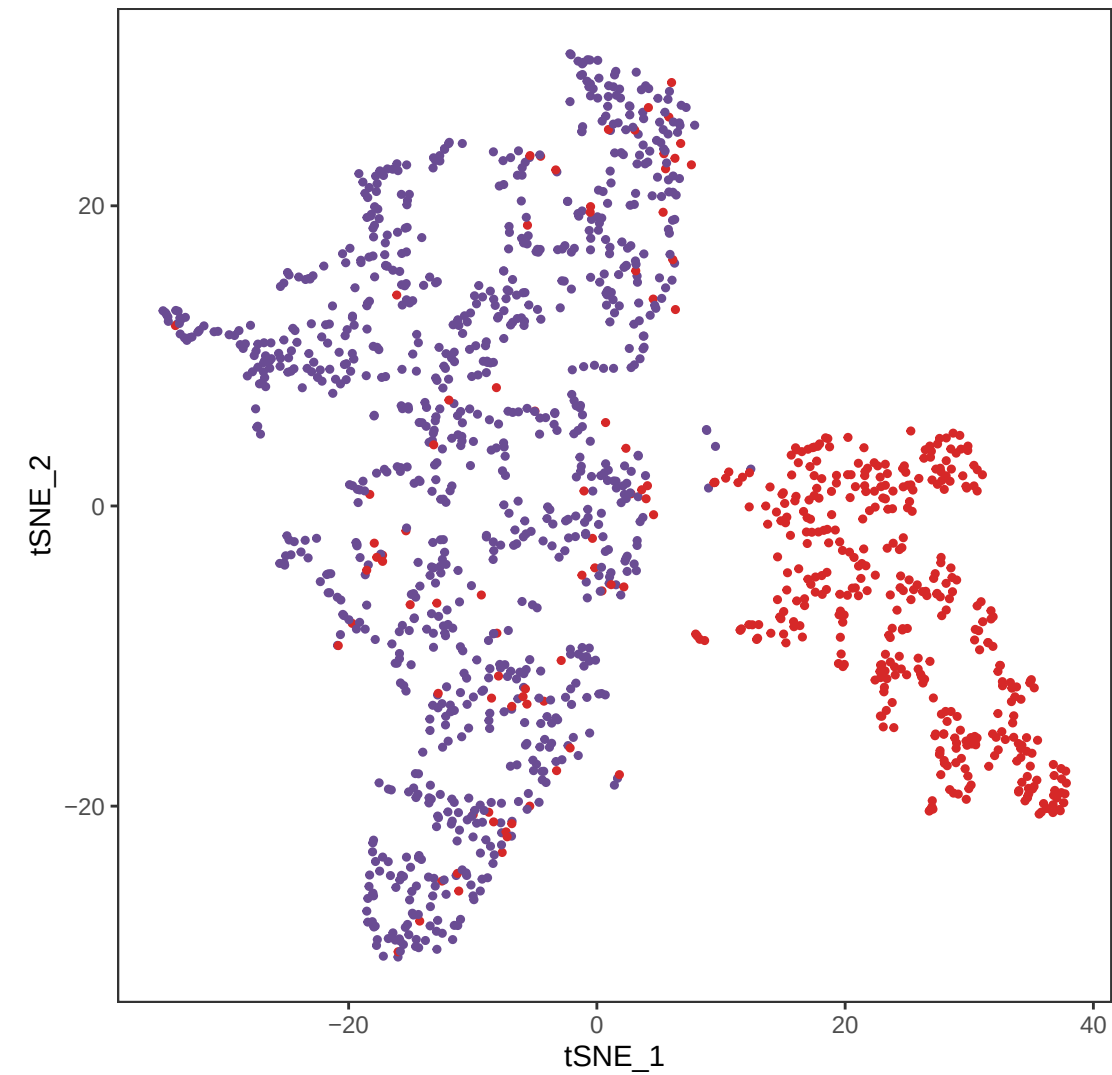

Global gastric t-SNE

CNV-high threshold = reference mean + 2 SD (0.331)

Tumor-only gastric t-SNE

Final intestinal versus diffuse poles

Tumor-only gastric t-SNE

inferCNV score within the tumor map
